1. BGACTRESS has been unable to locate Stuttgart cable replies to the above references, which are Munich requests for field traces on Ingrid Anneliese GEIGER, Siegfried Wilhelm WINKLER, and Karl Maria DUETTMANN. But since all three individuals have been hired by PBCHORD (information copies of the individual PAR's have been received here), it is assumed that negative trace replies were received by Munich from Stuttgart.

2. Please advise us of the cable numbers of these replies. If by any mischance they were not originally sent to Headquarters, please pouch the contents immediately.
